

Letter of commitment

8. January 2018

I hereby certify that CATHI GmbH intends to participate in the SMARTHEP network should the network be selected for funding by the European Commission. In this commitment letter, on behalf of CATHI GmbH I specifically indicate the level of involvement of our company to your programme.

CATHI GmbH recognizes the importance of fostering fruitful exchanges between academic research and industrial applications, in the strongly rising field of Data Science. CATHI GmbH also acknowledges the importance of offering to early-stage researches a programme in which they can learn the skills needed for our sector, from a rigorous academic perspective as well as for connecting fundamental research with industrial applications.

CATHI GmbH will participate in the SMARTHEP network as associated non-beneficiary partner in the following ways:

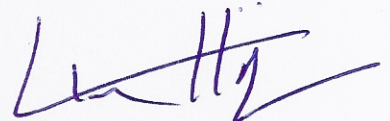

- CATHI GmbH personnel will host one secondment for ESR in the network.

The participation of CATHI GmbH in the research and training programme of SMARTHEP is in line with the research work described in the proposal ("part B").

CATHI GmbH looks forward to participating to SMARTHEP, and wishes to express a strong interest in furthering the collaboration between academic research by the network participants with industrial applications. In particular CATHI GmbH recognizes that its participation in SMARTHEP will establish connections with high-energy physics researchers, which are of interest for the possible future career development of the latter in the industrial market after completion of their studies within the academic institutions.

It is understood that all costs incurred by CATHI GmbH related to the implementation of the practical research and/or complementary training will be reimbursed by the relevant beneficiary of the Grant Agreement. CATHI GmbH shall invoice these research training costs to the appropriate full network partner(s).
